

## The University of Georgia Teaching Academy

### Mission Statement

The mission of the Academy is to promote and celebrate excellence in teaching and to foster learning through inquiry.

### Goals

The Academy will promote faculty leadership to enhance teaching and learning, to advocate for effective educational environments, and to foster a community of scholars.

### Core Values

We believe that educating students is a fundamental responsibility of every faculty member of the University of Georgia and that teachers are catalysts for effective learning.

## Academic Affairs Faculty Symposium

*The New Normal in Higher Education:  
UGA After the Current Economic Crisis*

*The 2010 Academic Affairs Faculty Symposium will examine how university instruction, research, service, graduate education and professional life have forever changed in our new fiscal and political environments. Participants will explore the new normal for faculty roles, rewards and expectations. New university environments will be examined in the context of funding issues and priorities, technological obsolescence and innovations and faculty student engagement.*
