Mission Statement

The mission of the Academy is to promote and celebrate excellence in teaching and to foster learning through inquiry.

Goals

The Academy will promote faculty leadership to enhance teaching and learning, to advocate for effective educational environments, and to foster a community of scholars.

Core Values

We believe that educating students is a fundamental responsibility of every faculty member of the University of Georgia and that teachers are catalysts for effective learning.

Academic Affairs Faculty Symposium

*Learning Places - Learning Spaces:
New Ways of Student Learning*

The 2013 Academic Affairs Faculty Symposium will examine current and emerging formats or settings for student learning, ranging from traditional lectures, small group settings, on-line education, study abroad, social media and other learning environments. Participants will address the role of instructional technologies and faculty support on student learning. Participants will develop strategies for enhancing the learning environment for UGA students.
